Swim Coach

Yarra Plenty Waves | Greensborough | Casual | \$35–\$40 per hour

Yarra Plenty Waves is looking for a Swim Coach to join our team in Greensborough.

We are a competitive swimming club with a 40-year history of helping local swimmers grow from their early lessons through to national-level racing. Because we run Yarra Swim School alongside our club squads, our coaches get to see swimmers develop over many years and be part of a genuine, long-term sporting pathway.

Our programs support swimmers at different stages, from developing junior swimmers and competitive squads through to teen fitness and masters swimming.

Our coaching philosophy is straightforward:

Develop the person. Develop the athlete. Performance will follow.

The role

Working closely with our Head Coach and Lead Development Coach, you'll help deliver squad sessions and support swimmers as they build technique, fitness, confidence and race skills.

You'll have the opportunity to work across our squad pathway, learn from the wider coaching team and develop your coaching experience over time.

You will:

- deliver training sessions
- give swimmers clear, useful feedback
- support swimmers at selected swim meets
- work with swimmers across different ages and abilities
- work alongside our Head Coach and Lead Development Coach
- work with Yarra Swim School staff and the centre manager
- contribute to the long-term development of our swimmers and program
- continue developing your own coaching skills

We're looking for someone who wants to be part of the team, is reliable, communicates well and is willing to learn. Previous coaching experience is important, but **attitude and the way you work with swimmers and other coaches matter just as much.**

When we train

- **Morning sessions:** Monday to Saturday, with sessions from approximately 5:45am
- **Afternoon and evening sessions:** Monday to Friday, with sessions between 4:00pm and 8:30pm depending on the program
- **Weekend sessions:** selected Saturday and Sunday sessions, plus attendance at selected swim meets
- **Days and shifts:** flexible to fit your availability and the needs of the program

What you need

- minimum ASCTA Coach Accreditation or equivalent recognised swimming teaching and coaching qualification
- current Pool Lifeguard Award
- current CPR and First Aid
- valid Working with Children Check
- experience working with swimmers
- a genuinely supportive approach with kids, teens, adults and parents
- the ability to work as part of a coaching team
- reliability and good communication
- a willingness to learn and keep developing

Why YPW?

It's an exciting time to join our coaching team.

In the 2025/26 season, YPW swimmers achieved **120 club records**, with **16 swimmers qualifying for the Australian Age Championships**, including **two bronze medals**. The club also finished **fourth overall at the Victorian Metro Championships**.

We train at both the **Herb Norman Pool**, our indoor 25m heated home pool, as well as **WaterMarc**, with its 50m pool.

You'll also have the opportunity to learn from experienced coaches, work across our squad pathway, develop your coaching skills and take on greater responsibility as you grow.

We provide:

- club polo shirt
- free on-site parking
- staff room and kitchen at our home pool
- casual and flexible work options across our timetable

How to apply

If this sounds like your kind of environment, we'd love to hear from you.
